Dear sir/madam.

RE: APPRECIATION AND THANKSGIVING.

I write this letter on behalf of eluanda comprehensive school to appreciate the GREAT MIND FOUNDATION for their unwavering support to the school. The food program has highly helped the school as the students can now concentrate well in class and being active since they are well fed. The food programme has also enhanced equality among students since they all eat the same type of food. In addition the Church programme through the teaching of our able pastor (Rev. Omweri) has impacted and planted seeds of obedience and respect to both their teachers and their fellow students. The Church is also mentoring and strengthening the spiritual growth and faith of the learners which makes learning of subjects like C.R.E a walk in the park. We appreciate all you are doing and all that you have in store for Eluanda Comprehensive school.

Yours Sincerely,

Mr. Jacob Lerionka.
