Dear GoodMind Foundation,
I greet you in the Name of Jesus Christ our Lord and Savior.
I am Robi from the above school.
I thank God for your kindness and heart of compassion that you have shown us.
As a school we really appreciate all that you are doing and especially to our learners and teachers.
We thank God for feeding us with the word of God that we receive through our Pastor Onwari.

Learners' behavior has really changed positively. They have passion for the word of God. Proverbs 22:6.
Their faith is growing too.

The feeding programme has reduced absenteeism and truancy. It has helped in retaining learners in school. The population has also increased.
Performance has really improved. We are among the best Schools around.

Personally I have grown spiritually, I thank God for His saving grace. Serving in hardship area has helped me to appreciate His creation and interaction with many people.
Thank you very much.
May God richly bless you as you serve Others.

Yours faithfully,
Robi Mokenye.
Deputy Head of Institution.
